

**WEST PARK UNITED
CODE OF CONDUCT REGISTER
SEASON 2019-20**

The statement below is for each team’s Head Coach within West Park United to confirm that they have issued to parents, players and coaches all Code of Conduct forms required for West Park United, and had the forms signed and dated by the relevant person(s) and retained the forms for their own records.

Head Coach

Team

As Head Coach of the above-mentioned West Park United football team, I confirm that I have handed out all Club Code of Conduct forms to Parents, Players and Coaches and Club Dues Policy associated with my team. I confirm that the recipients have read and signed the forms and returned them to myself. I also confirm that any Parent, Player or Coach unwilling to sign, or who does not sign the Code of Conduct form will be unable to participate in Club activities (until such times as the relevant form is signed).

I am satisfied that all signatures on all Club Code of Conduct and Dues forms are correct and I assume full responsibility for the information contained in the Code of Conduct forms being up to date and accurate and for this form to be returned to the Club Secretary.

Should any new Parents, Players or Coaches join during the season, it is my responsibility to ensure that the above practice relating to Code of Conduct forms is carried out and an updated version of this register is produced on the date of any new forms being received and subsequently returned to the Club Secretary, at the latest by the next scheduled Club meeting.
